 DEPUTY CLERK

Defendant's Appeal of the Magistrate's
 Order at ECF 1606

Comes now the Defendant, Christopher Cantwell, and he moves this Court to vacate the Magistrate's order at ECF 1606 and grant his request for a meaningful extension of time. In support he states as follows,

- 1.) On 6-14-2022 Cantwell received the Magistrate's order at ECF 1606.
- 2.) ECF 1606 grants Cantwell until 6-10-2022 to reply to ECF 1572 and 1574.
- 3.) Judge Hoppe says this grants Cantwell "more than 3 weeks" but given the well documented circumstances it clearly does nothing of the sort.
- 4.) Cantwell still lacks access to the record, Cantwell's mail is corruptly held for weeks at a time until deadlines expire before the CMU delivers it, Cantwell's legal papers are corruptly kept from him by the CMU. Etc...
- 5.) Cantwell asks the Court to grant him until after he is released from BOP Custody to

deal with these post trial issues because his repeated ~~request~~ requests for the Court to provide documents and stop the CMU's unlawful interference have been rejected.

- 6.) Cantwell's rights are not minor procedural obstacles that can be overcome with token time extensions.
- 7.) For these reasons, and those well documented throughout the record, the motion should be granted.

Respectfully Submitted,
Christopher Cantwell
